## RECONNECTING AND MOVING FORWARD: MASKS ON, MASKS

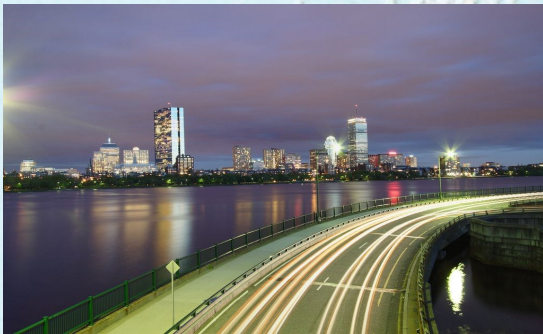

By The DBI Staff Writer

*We hope this newsletter finds you safe and well. It has been quite some time since our last communication in 2020, and we wanted to take this opportunity to reconnect. A lot has transpired over the course of three years. With the sudden change during the Covid-19 Pandemic that led millions of workers to adapt to remote work conditions, and as a result, numerous companies opted to embrace hybrid or fully remote work models. However, not every company followed this trend. At Direct & Beyond, Inc., we remained committed to maintaining an in-office workplace. We adjusted our strategies and operations to continue serving our customers effectively amidst the evolving circumstances. Direct & Beyond, Inc.'s core team, including our management, customer service, accounting, sales, and truck drivers, persisted and emerged stronger than ever before. As we each navigated through this pandemic, we now eagerly look forward to moving ahead, maintaining our existing relationships with our valued customers, and expanding beyond the limitations we faced. Thank you once again for being a part of our journey. We are excited about the road ahead and the possibilities it holds. Until our next update, take care and stay safe.*
